“The path is the goal”

The aim of this Transalp hike is to relax, disconnect and experience the alpine landscapes, culture and nature along the way. This means we may stop for a swim in a lake, slice of cake, bag a summit or other experience – making the most of what the trail brings us each day. As such the timings above are given as a minimum.

Activity level requirements

Previous hiking experience, steady footing & a head for heights, fitness for walking 4- 6 hours with up to 900m ascent per day.
